

# ONE UGANDA

## 2023 ANNUAL REPORT

### In June 2023, we launched the **PROMISE CAMPAIGN**

to secure 100% of the funds required for our current cohort of students to complete their academic journeys. Our goal is to raise \$375,000 by the end of 2025 to give all 82 students the resources to graduate from university or vocational college. To date, we've raised \$250,000 in donations and pledges toward our goal.

**82 current scholars**

**11 Students attending vocational & university**

**49 Secondary Students**

**22 Primary Students**

### **40 GRADS AND COUNTING**

Our university and vocational college graduates have launched careers in veterinary medicine, accounting, nursing, business administration, civil engineering, teaching, and entrepreneurs who have started their own businesses. Careers like these transform the lives of students, their families, and the community, creating more and more opportunities for others.

Academic dreams delivered to  
**150+ students** since **2012**.

**FUN**draising - September  
Ribfest raised **\$10K**

# GRATITUDE FROM GRADS

I cannot express enough how much this organization's assistance has meant to me. Your contribution has not only helped me financially but has also motivated me to work harder and excel in my studies. Your investment will have a ripple effect on my future and the future of my community.

And thinking about the tribulations happening in the world, economic diversification globally, an exact genuine reason to stop giving us aid, but One Heart hasn't stopped. I truly admire such generous hearts you people have (and) wish everyone was having such heart. I think the world would have been a better place with one heart.

**- Jovan**

I believe I can do anything in this world because of One Heart Uganda.

**- Mauricia**

I thank you because of what you did. I couldn't have managed if it was not for you.

**Our success is made possible by our generous donors who partner with us to provide the inspiration and resources that help transform the lives of students, their families and their communities.**

"Being a part of One Heart Uganda has been such a blessing to our family. Providing a strong educational foundation has always been something we valued and prioritized as parents. For that reason, OHU's mission spoke to us deeply. We jumped at the opportunity to sponsor Angella, who is of a similar age to our three daughters. It has been amazing watching her grow, and continue her studies parallel to our daughters. The letters and photos we have shared gave us a special glimpse into each others' lives. It has been so inspiring to our family knowing that Angella's education impacts her future, and likely that of her community. At a time when it can be overwhelming to identify effective organizations to support, OHU creates a relationship that directly impacts the life of a child and their sponsor family far beyond the financial contribution."

**- Mike and Colette Hudson**

"So often you don't know where your donations go, and whether or not they really help. OHU is small enough that you get to know first hand that your donation makes a difference!"
