

ONE UGANDA

Inspiring Students to Dream

PROMISE CAMPAIGN • YEAR 1 UPDATE

Last June, we launched our **Promise Campaign with a goal to raise \$375,000** to ensure all of our current scholars are fully funded to complete their academic journeys through universities and vocational colleges. **To date, we are 86% of the way to our goal and have raised \$324,000.** What a year!

University Bound

Six scholars are headed to university this August to begin studies in agriculture, art, aviation engineering, journalism, law, and medicine. 3 scholars have begun vocational college to study construction engineering, nursing/mid-wifery and plumbing.

We're on a Roll!

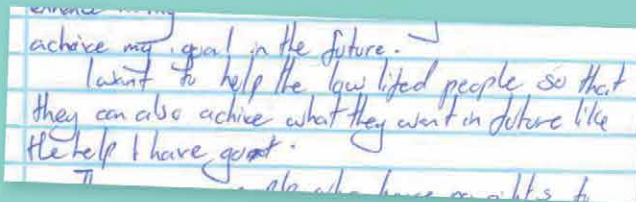

Saturday, August 24 – Cornelia Ribfest returns. Last year, we raised \$10K at our delicious dance party. Join us this year as we BBQ and boogie to R&B music from the Blue Lake Blues Band and Stormy Tuesday. "Eat, dance & do good!"

In Their Own Words

Excerpts from recent scholars' essays, responding to the question:
What are your goals for your future?

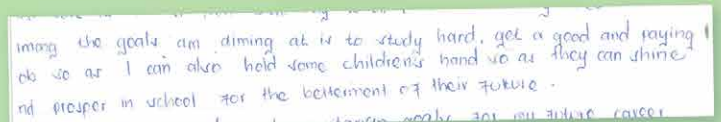

ADRIAN - Future ambition: Lawyer

"I want to help the low-lifed people so that they can achieve what they want for the future like the help that I got."

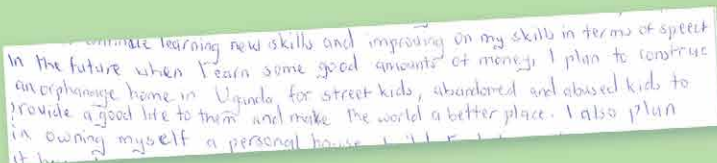

BETTY - Future ambition: Lawyer

"I can also hold some child's hand so that they can shine and prosper in school for the betterment of their future."

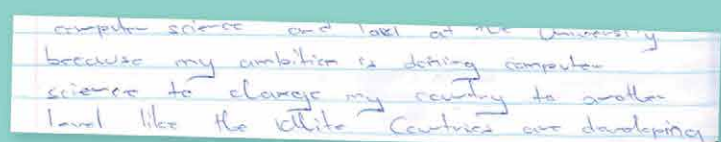

BRENDA - Future ambition: Agriculture & Medicine

"I plan to construct an orphanage home in Uganda for street kids, abandoned and abused kids, to provide a good life for them."

KATO PIUS - Future ambition: Computer Science

"My ambition is to do computer science to help change my country to another level like other countries are developing."

CELEBRATING RECENT GRADS!
